Auction House Of The Year 2016!
North East Auction
Tuesday 28th November 2017

A word from our Auction Director Justin...

We may be approaching the end of the year, but we still have some exciting properties up for auction. This will be our penultimate North-East auction this year so make sure you maximise your chances of bagging a brilliant property.

As always, at auction, we have a mixed bag and the range of properties is diverse. With a starting bid of £29,950 we are delighted to offer to the market a fantastic investment opportunity in the form of a two-bedroom terraced property in Shiney Row, Houghton-le-Spring. On the other end of the scale, make sure you take a look at the two-bedroom apartment on offer in the Hartford Hall Estate in Northumberland. This property has been recently decorated and has a potential rental income of £11,400 PA!

All of our auction entries can be found at pattinsonauction.co.uk. Here you can also book a viewing and find out more about buying and selling at auction.

Don’t forget that we will continue to be taking auction entries before the end of the year! If you have a property to sell, our auction team will be happy to answer any questions you may have and walk you through the process.

Just this month a three-bedroom terrace in Alnwick with a starting bid of £59,950 sold for £175,000 in an online auction. That’s nearly triple the starting bid! So, make sure you don’t miss out on the chance of getting the best price for your property. Get in touch with our auction experts on 0191 206 9335 or email auction@pattinson.co.uk

See you at Kingston Park Rugby Ground on the 28th November. Happy bidding!

Justin Beckwith MNAVA

Unsure of Auctions?

What is the difference between a start bid and a reserve price?

A starting bid is simply the price the bidding begins at. The reserve price is the undisclosed amount the seller would accept for the property. The reserve ensures the property cannot be sold for less than the seller is prepared to accept. The reserve and starting bid are subject to change. The starting bid may be a price that the property cannot be sold for.

What is the difference between a conditional and unconditional auction?

An unconditional auction is what most people understand an auction to be i.e. the property is sold on the fall of a hammer. A Pattinson Auction innovation is the conditional auction which gives both parties 28 days (unless otherwise agreed) to exchange contracts on the property following the fall of the hammer, providing sellers and buyers with a fixed time scale for the sale.

What payment methods do you accept?

We accept debit or credit cards and BACS transfer (3% surcharge on credit cards). We do NOT accept cheque payments. Alternatively cleared funds may be banked with Keith Pattinson prior to the auction which would be refunded the day after the auction if unsuccessful.

AUCTION CONDUCT CONDITIONS

A1 Introduction
A1.1 Words in bold type have special meanings, which are defined in the Glossary.
A1.2 The catalogue is issued only on the basis that you accept these auction conditions. They govern our relationship with you and cannot be disapplied or varied by the sale conditions (even by a condition purporting to replace the whole of the Common Auction Conditions). They can only be varied if we agree.

A2 Our role
A2.1 As agents for each seller we have authority to:
(a) Prepare the catalogue from information supplied by or on behalf of each seller
(b) Offer each lot for sale;
(c) Sell each lot;
(d) Receive and hold deposits;
(e) Sign each sale memorandum; and
(f) Treat a contract as repudiated if the buyer fails to sign a sale memorandum or pay a deposit as required by these auction conduct conditions.

A2.2 Our decision on the conduct of the auction is final.
A2.3 We may cancel the auction, or alter the order in which lots are offered for sale. We may also combine or divide lots. A lot may be sold or withdrawn from sale prior to the auction.

A2.4 You acknowledge that to the extent permitted by law we owe you no duty of care and you have no claim against us for any loss.

A3 Bidding and reserve prices
A3.1 All bids are to made in pounds sterling exclusive of any applicable VAT
A3.2 We may refuse to accept a bid. We do not have to explain why.
A3.3 If there is a dispute over bidding we are entitled to resolve it, and our decision is final.
A3.4 Unless stated otherwise each lot is subject to a reserve price (which may be fixed just before the lot is offered for sale). If no bid equals or exceeds that reserve price the lot will be withdrawn from the auction.
A3.5 Where there is a reserve price the seller may bid (or ask us or another agent to bid on the seller’s behalf) up to the reserve price but may not make a bid equal to or exceeding the reserve price. You accept that it is possible that all bids up to the reserve price are bids made by or on behalf of the seller.
A3.6 Where a guide price (or range of prices) is given that guide is the minimum price at which, or range of prices within which the seller might be prepared to sell at the date of the guide price. But guide prices may change. The last published guide price will normally be at or above any reserve price, but not always – as the seller may fix the final reserve price just before bidding commences.

A4 The particulars and other information
A4.1 We have taken reasonable care to prepare particulars that correctly describe each lot. However the particulars are based on information supplied by or on behalf of the seller. You need to check that the information in the particulars are correct.

A4.2 If the special conditions do not contain a description of the lot or simply refer to the relevant lot number, you take the risk that the description contained in the particulars is incomplete or inaccurate, as the particulars have not been prepared by a conveyancer and are not intended to form part of a legal contract.
A4.3 The particulars and sale conditions may change prior to the auction and it is your responsibility to check that you have the correct versions.

A5 The contract
A5.1 A successful bid is one we accept as such (normally on the fall of the hammer). This condition A5 applies to you if you make the successful bid for a lot.
A5.2 You are obliged to buy the lot on the terms of the sale memorandum at the price you bid plus VAT (if applicable).
A5.3 You must before leaving the auction:
(a) provide all information we reasonably need from you to enable us to complete the sale memorandum (including proof of your identity if required by us);
(b) sign the completed sale memorandum; and
(c) pay the deposit.

A5.4 If you do not we may either:
(a) as agent for the seller treat that failure as your repudiation of the contract and offer the lot for sale again: the seller may then have a claim against you for breach of contract; or
(b) sign the sale memorandum on your behalf.

A5.5 The deposit:
(a) is to be held as stakeholder where VAT would be chargeable on the deposit were it to be held as agent for the seller; but otherwise to be held as stated in the sale conditions; and
(b) must be paid in pounds sterling by cheque or by bankers’ draft made payable to us on an approved financial institution.

The extra auction conduct conditions may state if we accept any other form of payment.

A5.6 We may retain the sale memorandum signed by or on behalf of the seller until the deposit has been received in cleared funds.
A5.7 If the buyer does not comply with its obligations under the contract then:
(a) You are personally liable to buy the lot even if you are acting as an agent; and
(b) You must indemnify the seller in respect of any loss the seller incurs as a result of the buyers default.

A5.8 Where the buyer is a company you warrant that the buyer is properly constituted and able to buy the lot.

A6 Extra Auction Conduct Conditions
A6.1 Despite any special conditions to the contrary the minimum deposit we accept is £3,000 (or the total price, if less). A special condition may, however, require a higher minimum deposit.
A6.2 The Important Buyers Information at the front of the catalogue forms part of the Extra Auction Conduct Conditions.
General Conditions Of Sale

GENERAL CONDITIONS OF SALE
Words in bold type have special meanings, which are defined in the Glossary

The general conditions (including any extra general conditions) apply to the contract except to the extent that they are varied by special conditions or by an addendum.

G1. The lot

G1.1 The lot (including any rights to be granted or reserved and any exclusions from it) is described in the special conditions or if not so described the lot is that referred to in the sale memorandum.

G1.2 The lot is sold subject to any tenancies, disclosed by the special conditions, but otherwise with vacant possession on completion.

G1.3 The lot is sold subject to all matters contained or referred to in the documents but excluding any financial charges: these the seller must discharge on or before completion.

G1.4 The lot is sold subject to such of the following as may affect it, whether they arise before or after the contract date and whether or not they are disclosed by the seller or are apparent from inspection of the lot or from the documents:

(a) matters registered or capable of registration as local land charges

(b) matters registered or capable of registration by any competent authority or under the provisions of any statute

(c) notices, orders, demands, proposals and requirements of any competent authority

(d) charges, notices, orders, restrictions, agreements and other matters relating to town and country planning, highways or public health

(e) rights, easements, quasi-easements and wayleaves

(f) outgoings and other liabilities

(g) any interest which overrides, within the meaning of the Land Registration Act 2002

(h) matters that ought to be disclosed by the searches and enquiries a prudent buyer would make, whether or not the buyer has made them

(i) anything the seller does not and could not reasonably know about

G1.5 Where anything subject to which the lot is sold would expose the seller to liability the buyer is to comply with it and indemnify the seller against that liability.

G1.6 The seller must notify the buyer of any notices, orders, demands, proposals and requirements of any competent authority of which it learns after the contract date but the buyer is to comply with them and keep the seller indemnified.

G1.7 The lot does not include any tenants or trade fixtures or fittings.

G1.8 Where chattels are included in the lot the buyer takes them as they are at completion and the seller is not liable if they are not fit for use.

G1.9 The buyer buys with full knowledge of:

(a) the documents whether or not the buyer has read them

(b) the physical condition of the lot and what could reasonably be discovered on inspection of it, whether or not the buyer has inspected it

G1.10 The buyer is not to rely on the information contained in the particulars but may rely on the seller's conveyancers written replies to preliminary enquiries to the extent stated in those replies.

G2. Deposit

G2.1 The amount of the deposit is the greater of:

(a) any minimum deposit stated in the auction conduct conditions (or the total price, if this is less than that minimum), and

(b) 10% of the price (exclusive of VAT on the price)

G2.2 The deposit:

(a) must be paid in pounds sterling by cheque or banker's draft drawn on an approved financial institution (or by any other means of payment that the auctioneers may accept); and

(b) is to be held as stakeholder unless the auction conduct conditions provide that it is to be held as agent for the seller.

G2.3 Where the auctioneers hold the deposit as stakeholder they are authorised to release it (and any interest on it if applicable) to the seller on completion or, if completion does not take place, to the person entitled to it under the sale conditions.

G2.4 If a cheque for all or part of the deposit is not cleared on the first presentation the seller may treat the contract as at an end and bring a claim against the buyer for breach of contract.

G2.5 Interest earned on the deposit belongs to the seller unless the sale conditions provide otherwise.

G3. Between contract and completion

G3.1 Unless the special conditions state otherwise, the seller is to insure the lot from and including the contract date to completion and:

(a) produce to the buyer on request all relevant insurance details

(b) pay the premiums when due

(c) if the buyer so requests and pays any additional premium, use reasonable endeavors to increase the sum insured or make other changes to the policy

(d) at the request of the buyer, use reasonable endeavors to have the buyer's interest noted on the policy if it does not cover a contracting purchaser

(e) unless otherwise agreed, cancel the insurance at completion, apply for a refund of premium and (subject to the rights of any tenant or other third party) pay that refund to the buyer; and

(f) (subject to the rights of any tenant or other third party) hold on trust for the buyer any insurance payments that the seller receives in respect of loss or damage arising after the contract date or assign to the buyer the benefit of any claim; and

the buyer must on completion re-imburse to the seller the cost of that insurance (to the extent not already paid by the buyer or a tenant or other third party) for the period from and including the contract date to completion.

G3.2 No damage to or destruction of the lot nor any deterioration in its condition however caused, entitles the buyer to any reduction in price or to delay completion, or to refuse to complete.

G3.3 Section 47 of the Law of Property Act 1925 does not apply.

G3.5 Unless the buyer is already lawfully in occupation of the lot the buyer has no right to enter into occupation prior to completion.

G4. Title and identity

G4.1 Unless condition G4.2 applies, the buyer accepts the title of the seller to the lot as at the contract date and may raise no requisition or objection except in relation to any matter that occurs after the contract date.

G4.2 If any of the documents is not made available before the auction the following provisions apply;
(a) the buyer may raise no requisition on or objections to any of the documents that is made available before the auction.
(b) if the lot is registered land the seller is to give to the buyer within five business days of the contract date an official copy of the entries on the register and title plan and where noted on the register of all documents subject to which the lot is being sold.
(c) if the lot is not registered land the seller is to give to the buyer within five business days an abstract or epitome of title starting from the root of title mentioned in the special conditions (or, if none is mentioned, a good root of title more than 15 years old) and must produce to the buyer the original or an examined copy of every relevant document.
(d) if title is in the course of registration, title is to consist of recorded in registers open to public inspection; these are to be treated as within the actual knowledge of the buyer; and
(e) the buyer has no right to object to or make requisitions on any title information more than seven business days after that application has been paid; and

G4.3 Unless otherwise stated in the special conditions the seller sells with full title guarantee except that (and the transfer shall so provide):
(a) the covenant set out in section 3 of the Law of Property (Miscellaneous Provisions) Act 1994 shall not extend to matters recorded in registers open to public inspection; these are to be treated as within the actual knowledge of the buyer; and
(b) the covenant set out in section 4 of the Law of Property (Miscellaneous Provisions) Act 1994 shall not extend to any condition or tenants obligation relating to the state or condition of the lot where the lot is leasehold property.

G4.4 The transfer is to have effect as if expressly subject to all matters to which the lot is sold under the contract.
G4.5 The seller does not have to produce, nor may the buyer object to or make a requisition on or objections to any of the documents that is made available before the auction.

G5. Transfer
G5.1 Unless a form of transfer is prescribed by the special conditions;
(a) the buyer must supply a draft transfer to the seller at least ten business days before the agreed completion date and the engrossment (signed as a deed by the buyer if condition 5.2 applies) five business days before that date or (if later) two business days after the draft has been approved by the seller; and
(b) the seller must approve or revise the draft transfer within five business days of receiving it from the buyer.
G5.2 If the seller remains liable in any respect in relation to the lot (or a tenancy) following completion the buyer is specifically to covenant in the transfer to indemnify the seller against that liability.
G5.3 The seller cannot be required to transfer the lot to anyone other than the buyer, or by more than one transfer.

G6. Completion
G6.1 Completion is to take place at the offices of the seller’s conveyancer, or where the seller may reasonably require, on the agreed completion date. The seller can only be required to complete on a business day and between the hours of 0930 and 1700.
G6.2 The amount payable on completion is the balance of the price adjusted to take account of apportionments plus (if applicable) VAT and interest.
G6.3 Payment is to be made in pounds sterling and only by:
(a) direct transfer to the seller’s conveyancer’s client account
(b) the release of any deposit held by a stakeholder.
G6.4 Unless the seller and the buyer otherwise agree, completion cannot take place until both have complied with their obligations under the contract and the balance of the price is unconditionally received in the seller’s conveyancer’s client account.
G6.5 If completion takes place after 1400 hours for a reason other than the seller’s default it is to be treated, for the purposes of apportionment and calculating interest, as if it had taken place on the next business day.
G6.6 Where applicable the contract remains in force following completion.

G7. Notice to complete
G7.1 The seller or the buyer may on or after the agreed completion date but before completion give the other notice to complete within 10 business days (excluding the date on which the notice is given) making time of the essence.
G7.2 The person giving the notice must be ready to complete.
G7.3 If the buyer fails to comply with a notice to complete the seller may, without affecting any other remedy the seller has, (a) terminate the contract
(b) claim the deposit and any interest on it if held by a stakeholder.
(c) forfeit the deposit and any interest on it
(d) resell the lot and
(e) claim damages from the buyer.
G7.4 If the seller fails to comply with a notice to complete the buyer may, without affecting any other remedy the buyer has, (a) terminate the contract and
(b) recover the deposit and any interest on it from the seller or, if applicable, a stakeholder.

G8. If the contract is brought to an end
If the contract is lawfully brought to an end:
(a) the buyer must return all papers to the seller and appoints the seller its agent to cancel any registration of the contract; and
(b) the seller must return the deposit and any interest on it to the buyer (and the buyer may claim it from the stakeholder, if applicable) unless the seller is entitled to forfeit the deposit under condition G7.3.
G9. Landlord’s licence
G9.1 Where the lot is or includes leasehold land and licence to assign is required this condition G9 applies.
G9.2 The contract is conditional on that licence being obtained, by way of formal licence if that is what the landlord lawfully
General Conditions Of Sale

requires.

G9.3 The agreed completion date is to be not earlier than the date five business days after the seller has given notice to the buyer that the licence has been obtained.

G9.4 The seller must:
(a) use all reasonable endeavours to obtain the licence at the seller’s expense; and
(b) enter into any authorised guarantee agreement properly required.

G9.5 The buyer must:
(a) promptly provide references and other relevant information; and
(b) comply with the landlord’s lawful requirements.

G9.6 If within three months of the contract date (or such longer period as the seller and buyer agree) the licence has not been obtained the seller or the buyer may (if not then in breach of any obligation under this condition G9) by notice to the other terminate the contract at any time before licence is obtained. That termination is without prejudice to the claims of either seller or buyer for breach of this condition G9.

G10. Interest and apportionments

G10.1 If the actual completion date is after the agreed completion date for any reason other than the seller’s default the buyer must pay interest at the interest rate on the price (less any deposit paid) from the agreed completion date up to and including the actual completion date.

G10.2 Subject to condition G11, the seller is not obliged to apportion or account for any sum at completion unless the seller has received that sum in cleared funds. The seller must pay to the buyer after completion any sum to which the buyer is entitled that the seller subsequently receives in cleared funds.

G10.3 Income and outgoings are to be apportioned at actual completion date unless:
(a) the buyer is liable to pay interest and
(b) the seller has given notice to the buyer at any time up to completion requiring apportionment on the date from which interest becomes payable by the buyer.

In which event income and outgoings are to be apportioned on the date from which interest becomes payable by the buyer.

G10.4 Apportionments are to be calculated on the basis that:
(a) the seller receives income and is liable for outgoings for the whole of the day on which apportionment is to be made
(b) annual income and expenditure accrues at an equal daily rate assuming 365 days in a year and income and expenditure relating to some other period accrues at an equal daily rate during the period to which it relates
(c) where the amount to be apportioned is not known at completion apportionment is to be made by reference to a reasonable estimate and further payment is to be made by seller or buyer as appropriate within five business days of the date when the amount is known.

G11. Arrears

Part 1 Current Rent

G11.1 “Current Rent” means, in respect of each of the tenancies subject to which the lot is sold, the installment of rent and other sums payable by the tenant in advance on the most recent rent payment date on or within four months preceding completion.

G11.2 If on completion there are any arrears of current rent the buyer must pay them, whether or not details of those arrears are given in the special conditions.

G11.3 Parts 2 and 3 of this condition G11 do not apply to arrears of current rent.

Part 2 Buyer to pay for arrears

G11.4 Part 2 of this condition G11 applies where the special conditions give details of arrears.

G11.5 The buyer is on completion to pay, in addition to any other money then due, an amount equal to all arrears of which details are set out in the special conditions.

G11.6 If those arrears are not old arrears the seller is to assign to the buyer all rights that the seller has to recover those arrears.

Part 3 Buyer not to pay for arrears

G11.7 Part 3 of this condition G11 applies where the special conditions:
(a) so state; or
(b) give no details of any arrears.

G11.8 While any arrears due to the seller remain unpaid the buyer must:
(a) try to collect them in the ordinary course of management but need not take legal proceedings or forfeit the tenancy.
(b) pay them to the seller within five business days of receipt in cleared funds (plus interest at the interest rate calculated on a daily basis for each subsequent day’s delay in payment);
(c) on request, at the cost of the seller, assign to the seller or as the seller may direct the right to demand and sue for old arrears, such assignment to be in such form as the seller’s conveyancer may reasonably require.
(d) if reasonably required, allow the seller’s conveyancer to have on loan the counterpart of any tenancy against an undertaking to hold it to the buyer’s order
(e) not without the consent of the seller release any tenant or surety from liability to pay arrears or accept a surrender of or forfeit any tenancy under which arrears are due; and
(f) if the buyer disposes of the lot prior to recovery of all arrears obtain from the buyer’s successor in title a covenant in favour of the seller in similar form to this condition G11.

G11.9 Where the seller has the right to recover arrears it must not without the buyer’s written consent bring insolvency proceedings against a tenant or seek the removal of goods from the lot.

G12. Management

G12.1 This condition G12 applies where the lot is sold subject to tenancies.

G12.2 The seller is to manage the lot in accordance with its standard management policies pending completion.

G12.3 The seller must consult the buyer on all management issues that would affect the buyer after completion, (such as but not limited to an, application for licence; a rent review; a variation, surrender, agreement to surrender or proposed forfeiture of a tenancy; or a new tenancy or agreement to grant a new tenancy) and:
(a) the seller must comply with the buyer’s reasonable requirements unless to do so would (but for the indemnity in paragraph (c)) expose the seller to a liability that the seller would not otherwise have, in which case the seller may act reasonably in such a way as to avoid that liability;
(b) if the seller gives the buyer notice of the seller’s intended act and the buyer does not object within five business days giving reasons for the objection the seller may act as the seller intends; and
(c) the buyer is to indemnify the seller against all loss or liability.
the seller incurs through acting as the buyer requires, or by reason of delay caused by the buyer.

**G13. Rent deposits**

G13.1 This condition G13 applies where the seller is holding or otherwise entitled to money by way of rent deposit in respect of a tenancy. In this condition G13 ‘rent deposit deed’ means the deed or other document under which the rent deposit is held.

G13.2 If the rent deposit is not assignable the seller must on completion hold the rent deposit on trust for the buyer and, subject to the terms of the rent deposit deed, comply at the cost of the buyer with the buyer’s lawful instructions.

G13.3 Otherwise the seller must on completion pay and assign its interest in the rent deposit to the buyer under an assignment in which the buyer covenants with the seller to:

(a) observe and perform the seller’s covenants and conditions in the rent deposit deed and indemnify the seller in respect of any breach;
(b) give notice of assignment to the tenant; and
(c) give such direct covenant to the tenant as may be required by the rent deposit deed.

**G14. VAT**

G14.1 Where a sale condition requires money to be paid the payer must also pay any VAT that is chargeable on that money, but only if given a valid VAT invoice.

G14.2 Where the special conditions state that no VAT option has been made the seller confirms that none has been made by it or by any company in the same VAT group nor will be prior to completion.

**G15. Transfer as a going concern**

G15.1 Where the special conditions so state:

(a) the seller and the buyer intend, and will take all practical steps (short of an appeal) to procure, that the sale to be treated as a transfer of a going concern; and
(b) this condition G15 applies.

G15.2 The seller confirms that the seller

(a) is registered for VAT, either in the seller’s name or as a member of the same VAT group; and
(b) has (unless the sale is a standard-rated supply) made in relation to the lot a VAT option that remains valid and will not be revoked before completion.

G15.3 The buyer confirms that:

(a) it is registered for VAT, either in the buyer’s name or as a member of a VAT group
(b) it has made, or will make before completion, a VAT option in relation to the lot and will not revoke it before or within three months after completion;
(c) article 5(2B) of the Value Added Tax (Special Provisions) Order 1995 does not apply to it; and
(d) it is not buying the lot as a nominee for another person.

G15.4 The buyer must give to the seller as early as possible before the agreed completion date evidence:

(a) of the buyer’s VAT registration
(b) that the buyer has made a VAT option
(c) that a VAT option has been notified in writing to HM Revenue and Customs
And if it does not produce the relevant evidence at least two business days before the agreed completion date, condition G14.1 applies at completion.

G15.5 The buyer confirms that after completion the buyer intends to:

(a) retain and manage the lot for the buyer’s own benefit as a continuing business as a going concern subject to and with the benefit of the tenancies, and
(b) collect the rents payable under the tenancies, and charge VAT on them

G15.6 If, after completion, it is found that the sale of the lot is not a transfer of a going concern then:

(a) the seller’s conveyancer is to notify the buyer’s conveyancer of that finding and provide a VAT invoice in respect of the sale of the lot;
(b) the buyer must within five business days of receipt of the VAT invoice pay to the seller the VAT due; and
(c) if VAT is payable because the buyer has not complied with this condition G15, the buyer must pay and indemnify the seller against all costs, interest, penalties or surcharges that the seller incurs as a result.

**G16. Capital allowances**

G16.1 This condition G16 applies where the special conditions state that there are capital allowances available in respect of the lot.

G16.2 The seller is promptly to supply to the buyer all information reasonably required by the buyer in connection with the buyer’s claim for capital allowances.

G16.3 The value to be attributed to those items on which capital allowances may be claimed is set out in the special conditions.

G16.4 The seller and buyer agree:

(a) to make an election on completion under Section 198 of the Capital Allowances Act 2001 to give effect to this condition G16, and
(b) to submit the value specified in the special conditions to HM Revenue and Customs for the purposes of their respective capital allowance computations.

**G17. Maintenance agreements**

G17.1 The seller agrees to use reasonable endeavours to transfer to the buyer, at the buyer’s cost, the benefit of the maintenance agreements specified in the special conditions.

G17.2 The buyer must assume, and indemnify the seller in respect of, all liability under such contracts from the actual completion date.

**G18. Landlord and Tenant Act 1987**

G18.1 This condition G18 applies where the sale is a relevant disposal for the purposes of part I of the Landlord and Tenant Act 1987.

G18.2 The seller warrants that the seller has complied with sections 5B and 7 of that Act and that the requisite majority of qualifying tenants has not accepted the offer.

**G19. Sale by practitioner**

G19.1 This condition G19 applies where the sale is by a practitioner either as a seller or as agent of the seller.

G19.2 The practitioner has been duly appointed and is empowered to sell the lot.

G19.3 Neither the practitioner nor the firm or any member of the firm to whom the practitioner belongs has any personal liability in connection with the sale or the performance of the seller’s obligations. The transfer is to include a declaration excluding that personal liability.

G19.4 The lot is sold:

(a) in its condition at completion
(b) for such title as the seller may have and
(c) with no title guarantee;
and the buyer has no right to rescind the contract or any other remedy if information provided about the lot is inaccurate, incomplete or missing.

G19.5 Where relevant:
(a) the documents must include certified copies of those under which the practitioner is appointed, the document of appointment and the practitioner’s acceptance of appointment; and
